### **Atlantic Coast Electric Supply relocates Charleston Location**

*New location, new services, expanded inventory, all with the same great team to service Charleston.*

Atlantic Coast Electric Supply (ACES) has relocated their North Charleston branch into a new location at 332A International Circle in Summerville, SC. This new building provides 40,000 square feet of space to meet the electrical needs of the greater Charleston market.

ACES has spent the last three plus years assembling a great team of experienced professionals to meet the electrical needs of the Charleston market. This team is now housed in 40,000 square feet building that will serve as a distribution hub for the Charleston area. It also allows ACES to enhance their service capabilities.

Services now include wire parallels with colored feeders and pulling heads, job site storage solutions and the deepest local inventory in the market. ACES is investing in increased levels of inventory from the leading manufacturers in the industry. This location can serve multiple locations around the peninsula with same day and next day stock replenishment.

“Our mission is to create an ease of doing business that is second to none. This facility supports our vision of providing unmatched service capabilities in the greater Charleston market. Whether your focus is on commercial, residential, or industrial customers, we know that you are striving to create stellar service for your customers. We want to do our part to make that possible. Getting you the quality products you need, when you need it, at competitive prices and with associates that are passionate for your success is our commitment to you.” Says John Marshall, President of ACES. Visit the new ACES location at 332A International Circle in Summerville, SC 29483.

Atlantic Coast Electric Supply is an independently owned electrical distributor headquartered in Summerville, SC. ACES has five locations in Concord, NC, Downtown Charleston, Greenville, Columbia and Summerville, SC. The IMARK distributor provides Carolina’s commercial, industrial and residential contractors with the leading manufacturers and superior customer service.
